

THE JAVELIN 1956

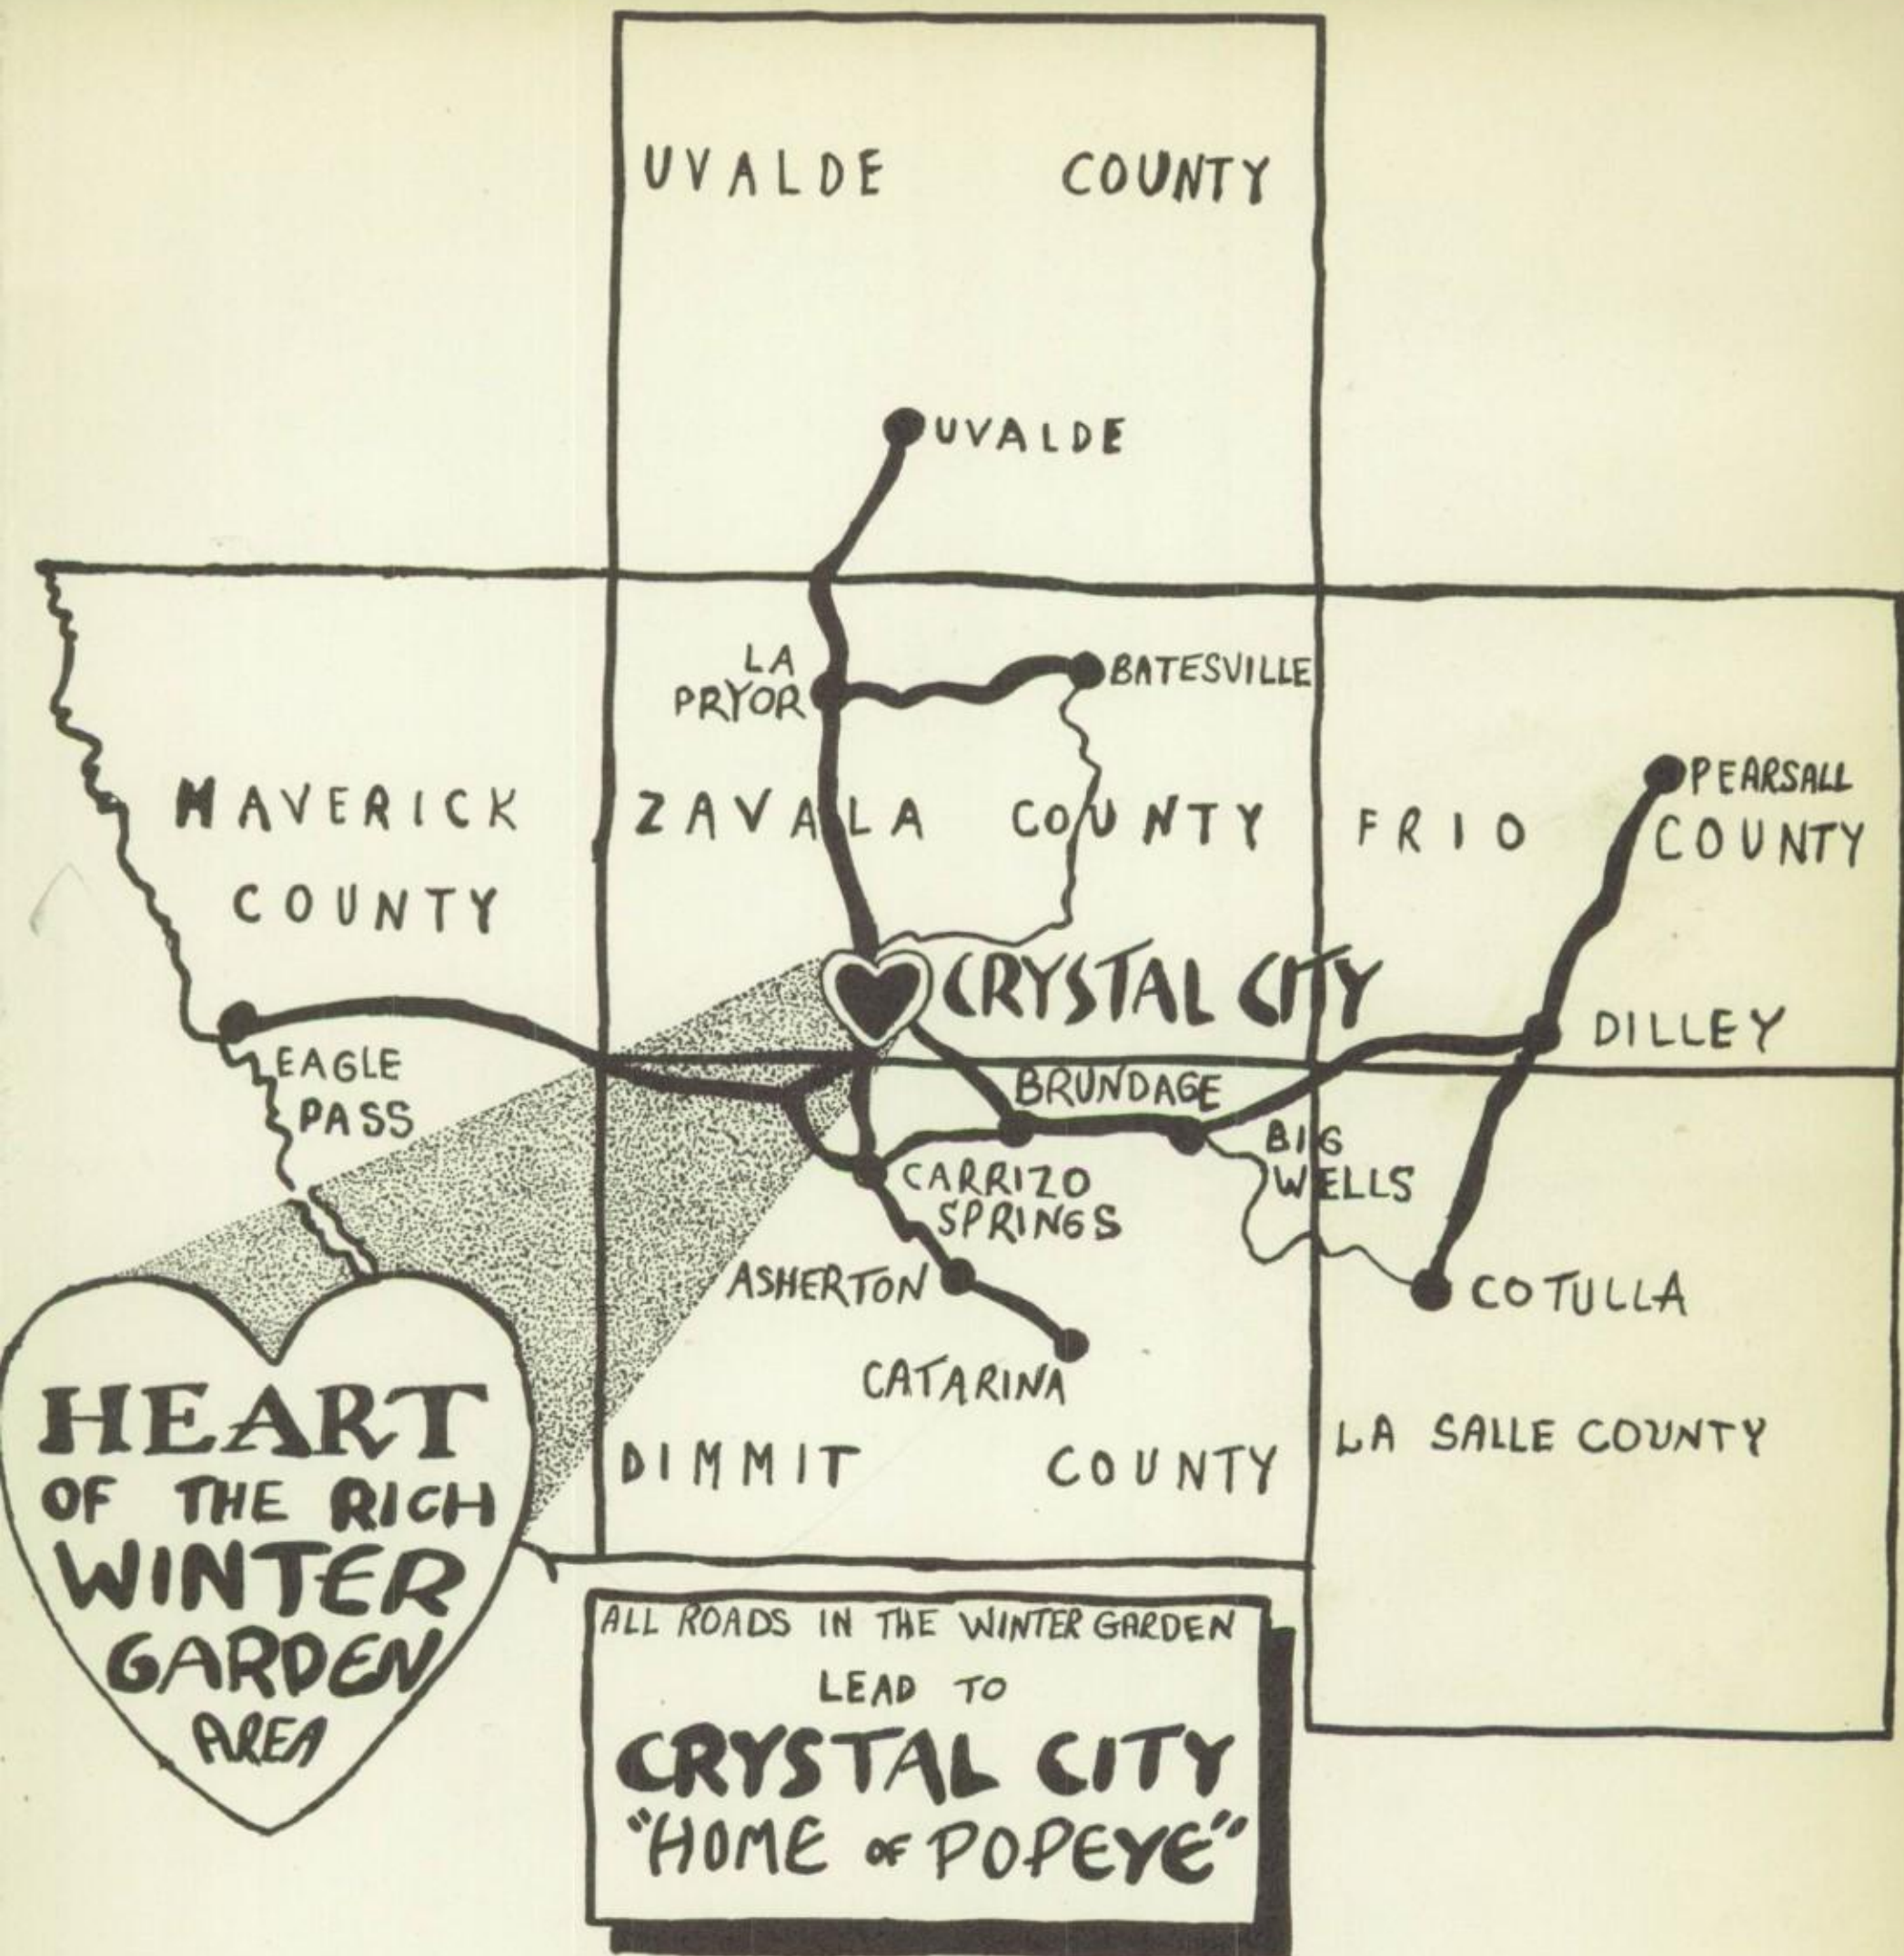

ROBERT HARRIS

Dear Robert,

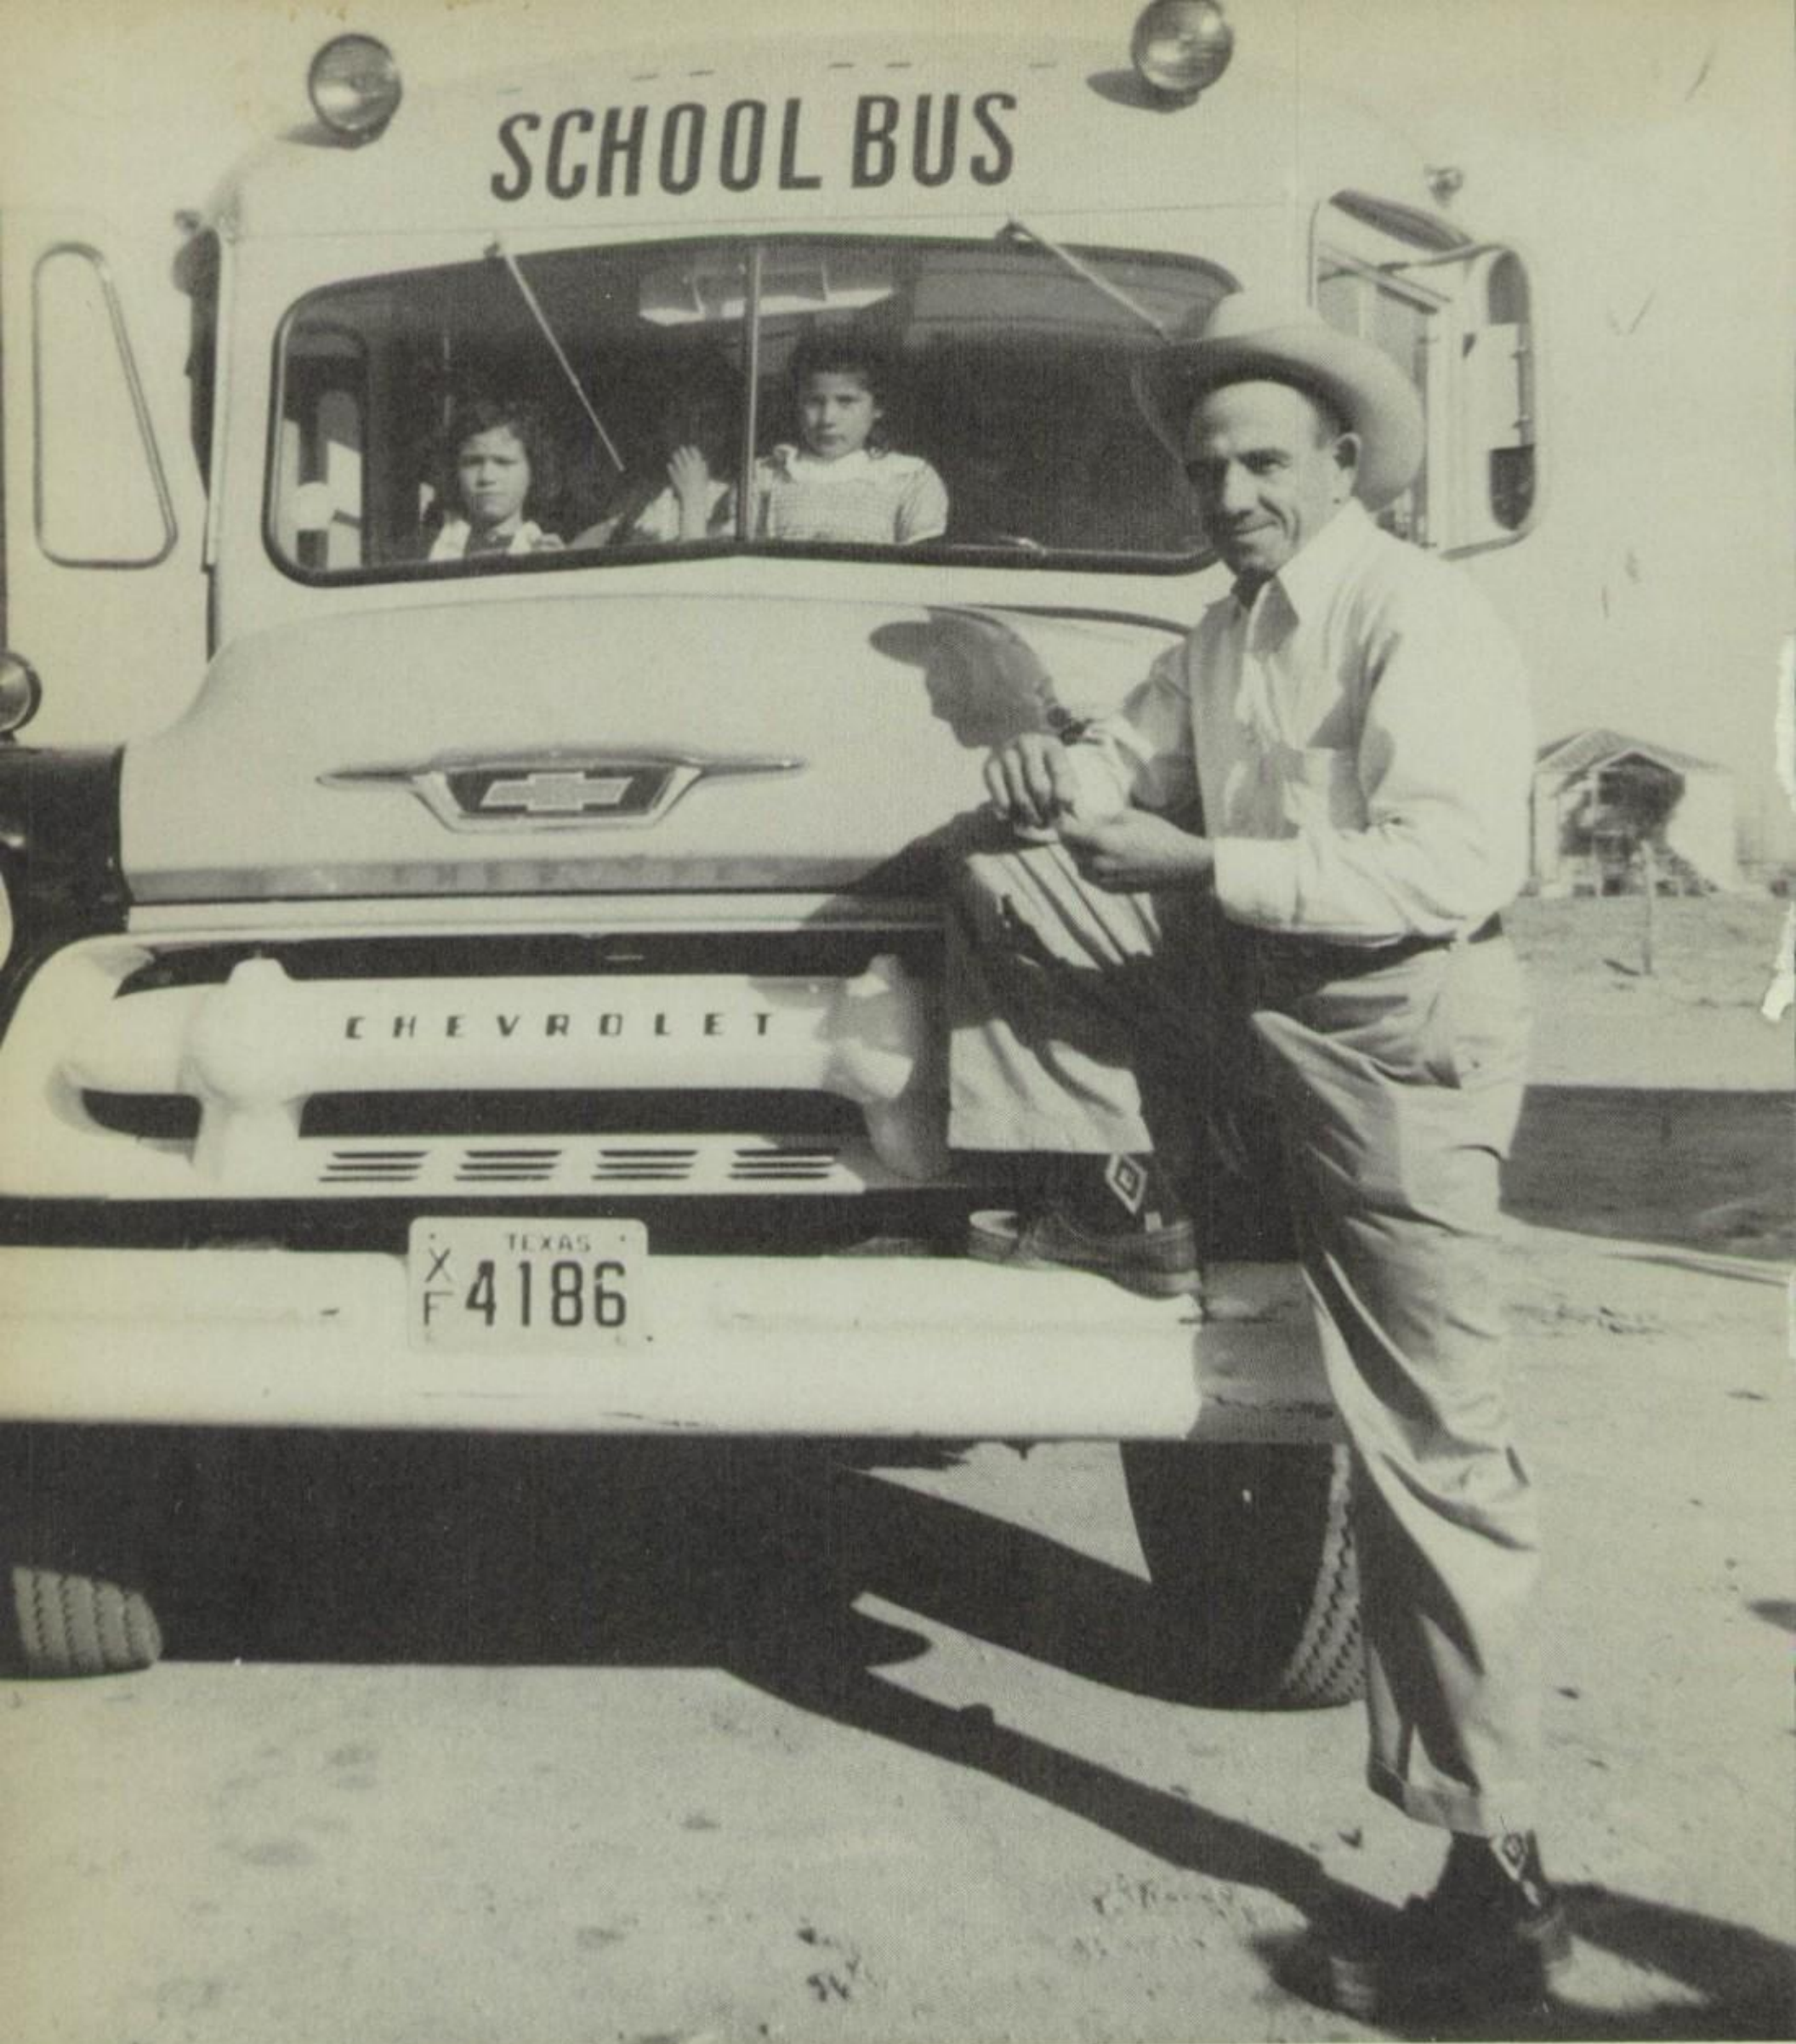

I wish all my luck to a
swell guy and an excellent
actor.

Jay

FOREWORD

It is only fitting that this year's annual should follow the setting that most of us have known all our life, the Winter Garden District. By using this theme the annual staff wishes to include parts of our town, businesses, and farms, as well as our school life in bringing you the 1956 JAVELIN.

The annual staff had little trouble in selecting the person to whom this year's annual should be dedicated. We all agreed that Pete Davidson was the man most deserving of that honor. He has been our loyal friend and supporter in all the activities of our school -- happy with us when we won and encouraging us when we lost.

We, the annual staff, proudly dedicate this annual of 1956 to Pete Davidson, who has "driven" us on to success in more ways than one.

The annual staff gives sincere thanks to the merchants of Crystal City and those few of neighboring towns who supported this annual. Without this help the yearbook would not have been possible. We know that these merchants are striving to serve their citizens better in every way.
